A Cleanliness Drive in Our Neighbourhood

Last Sunday, our Residents' Welfare Association organized a cleanliness drive in our neighbourhood. Early in the morning, children, parents and elders gathered near the community hall. Everyone carried brooms, dustpans, and garbage bags. We were encouraged to take part actively.

With cheerful faces, we began sweeping the streets, collecting litter, and removing plastic waste from the roadside. The spirit of cooperation made the work enjoyable. As the drive continued, we saw how much garbage had been carelessly thrown around. Broken bottles, wrappers and papers were scattered near the roadside drains. We worked together to clean those areas. Some of us planted saplings along the footpath to make the surroundings greener. Volunteers painted slogans on the walls like "Do Not Litter" and "Clean City, Healthy Life." Many residents joined us, making the drive more successful. By noon, the neighbourhood looked fresh and welcoming.

The cleanliness drive taught us that keeping our environment clean is everyone's responsibility. It is not enough to clean once; we must maintain cleanliness daily. The joy of seeing our neighbourhood shine filled us with pride. We understood that small efforts, when combined, can bring big changes. The drive ended with a promise to spread awareness and always keep our surroundings tidy. It was truly a day of learning and service.
